Subject: New Law Allows You Take Control of Your TSP!

ATTENTION: Information You Must Know Regarding Your Thrift Savings Plan (TSP)

WARNING: If You Have a Thrift Savings Plan (TSP) You Need to Read This:

Economists Warn of an Imminent Stock Market Crash in 2016

Financial analysts, economists, and several distinguished investors are warning that the biggest stock market crash in a generation will hit sometime this year.

In fact, billionaire Carl Icahn recently raised a red flag on a national broadcast when he declared that “the public is walking into a trap again as they did in 2007.”

Luckily, there are options for diversifying and protecting your retirement with your **Thrift Savings Plan (TSP)** that are outside of the volatile stock market. You can even leverage an asset that has been used as currency for over 4,000 years... Gold.

Learn how gold can protect your retirement...

>>Request TSP Investment Guide Now<<

Many other savvy investors have used gold to protect and grow their wealth for years, especially in times of economic uncertainty. However, many federal employees or military personnel haven't been made aware of this lucrative option with their TSPs until now.

Chances are, if you've retired, are over the age of 59 ½, or have left your position as a government employee, you can most likely invest in gold using your TSP!

Get Your Free TSP Gold Investment Guide Now

For a limited time, we're allowing TSP account owners to download our TSP Gold Investment Guide for free, no obligation:

In our report, we provide information the explains 1) how you can include gold in

your retirement account, 2) benefits gold provides during good and bad economic conditions, and 3) how easy it is to start using gold to diversify and protect your retirement.

Don't allow the things that are out of your control to determine your retirement... protect your savings while you still can!
